President's Report By Paul Jungen II

We now have tickets available here at the UAW hall for our up-coming baseball night with the Waterloo Bucks on Saturday July 9th. If you would like to attend the game, stop at the Union Hall and get your tickets. The Union will be providing the fireworks show after the game. I hope to see a lot of UAW members in attendance.

The Recreation Committee has begun to have meetings to plan this year's Labor Day Picnic. If you are willing to help with the picnic, please contact the Recreation Committee and they would be more than happy to have the help. We should have tickets to the picnic available at the Union Hall in August.

I had my first meeting with the Cedar Valley United Way Campaign Cabinet on Tuesday, June 14th. This year's United Way Campaign is upon us soon. UAW Local 838 members have always been strong supporters of the United Way, and I am sure this year will be no exception. As always, the need is greater than ever. There are so many agencies in the Cedar Valley trying to do more with less. I ask that once the Campaign starts if you could please help support the Cedar Valley United Way.

Thanks

Paul Jungen II

The Election Committee had a hand count

on the 15th and 16th of June for the purpose of this race being so close. In the result of the hand count, the committee found three mistakes. The committee reported this issue to the International Union for assistance. The International made a decision to redo this election for the fairness of the candidates and the membership. As a result, this election was held Tuesday, June 28th.

In Solidarity,
Kirk Drape
Chairman, Election Committee
